

TR-4 Order Form

Name: _____

Agency: _____

Address: _____

Phone number: _____ Email: _____

4 MHz frequency limits of receiver: _____ to _____ MHz

Select Either:

_____ **TR-4**; Includes carrying case, earbuds and two 9V batteries.

or

_____ **TR-4K**; Kit includes carrying case, earbuds, two 9V batteries, TR-4 Channel Frequency Editor software, and TSC-6C Smart Cable.

Specify the frequency corresponding to the center of each channel in the blanks below. These frequencies must be within the 4 MHz band specified above, and each frequency must be evenly divisible by 10 KHz (e.g. 172.320 or 173.490, but not 173.363 MHz).
